

Metrics with Extended Definitions

Metric Class Name		Defining Question		MoPE
1. GovtDecisionAuthorityRating		Who has power (autocratic, democratic, theocratic, monarchy, warlords, etc.)?		
Cite	Major	Minor	Detail	
Element	Govt decision authority	The actor having power (depends on govt type autocratic, democratic, theocratic, monarchy, warlords, etc.)		
HSCB	Political States	Political Participation, Such as Voter Turnout	Political Participation, Such as Voter Turnout	
Haskins	Who has power?			
Hillson	Government Institutions (GI)	Elections and Political Process	How effective is the electoral and political process at achieving successful transitions from one governing party, regime, or system to the next (e.g. in a peaceful and non-threatening manner; in a way that provides access to the process by most voters and/or citizens; by means of fair and auditable voting or referendum processes; etc.)?	
MPICE	Political Moderation and Stable Governance	Citizen Participation and Civil Society Strengthened	Is there citizen participation in local government? Are citizens informed about government abuse?	
2. GovernanceRating		How well does it govern; what are the checks on its power?		
Cite	Major	Minor	Detail	
Element	Governance	Representation of HN governance; what are the checks on its power, etc.		
HSCB	Political States	Governance Capacity (Governing Authority over a Regime's Formal Territory)	Governance Capacity (Governing Authority over a Regime's Formal Territory)	
Haskins	What are the checks on power?			
MPICE	Political Moderation and Stable Governance	Government Legitimacy, Responsiveness and Accountability Strengthened	Does the constitution/governance principles provide for peaceful succession of power and avoidance of monopolization of power? Is the budget process transparent? Is government accountable? Is the legislature able to provide effective oversight of the executive branch? How complementary are formal and traditional/non-state justice systems? Are judges, prosecutors, lawyers, and penal system employees held accountable? Are governing authorities held accountable? Are law enforcement agencies held accountable (by province or equivalent locality)? Does the public have confidence in law enforcement agencies?	
	Rule of Law	Administration of Justice Strengthened		
		Judicial Independence and Government Accountability Strengthened		
		Public Order and Safety Strengthened		
3. FirstRespondersActivityRating		How many first responders are there; what is their influence and activity?		
Cite	Major	Minor	Detail	
Element	First responders	Fire fighters, emergency medical personnel, etc.		
4. GovtLeaderChangeRating		How does leadership change: elections, hereditary succession, coup, revolution?		
Cite	Major	Minor	Detail	
Element	Change in government leadership	Representation of leadership change: elections, hereditary succession, coup, revolution		
HSCB	Political States	Regime/Head of Government Change	Regime/Head of Government Change	
Haskins	How did they get it?			
Hillson	Government Institutions (GI)	Elections and Political Process	How effective is the electoral and political process at achieving successful transitions from one governing party, regime, or	

system to the next (e.g. in a peaceful and non-threatening manner; in a way that provides access to the process by most voters and/or citizens; by means of fair and auditable voting or referendum processes; etc.)?

5. CentralAuthorityEffectivenessRating

How effectively does it govern: political capacity (tax collection capability, etc.), influence events?

Cite	Major	Minor	Detail
Element	Effectiveness of central authority	Representation of effectiveness of HN governing: political capacity (tax collection capability, etc.), influence events	
Haskins	What is power used for?		
Hillson	Government Institutions (GI)	Legislative Process	How effective is the legislative body in acting to create laws and policies that meet the needs of the state?
		Legislative Support	How effective are the supporting agencies in identifying and prioritizing the needs and problems within the state; identifying and providing viable solutions; and maintaining oversight of legislated programs?
		Governance	How rigorous, efficient, and effective is the government's bureaucracy in administering the functions of government in accordance with laws, regulations, and standards? How rigorous and reasonable are those laws, regulations, and standards?
		Civil Service Standards	Compared with civil and commercial law, how much more rigorous are civil service standards for government officials? To what extent are the civil service standards enforced?
		Proportionality of Response Process	How proportional is the government in the execution of its responsibilities, in punishing lawbreakers, and in responding to criticism and grievances?
		Rule-of-Law	How effective are government institutions at establishing and enforcing the rule of law accurately and fairly? How many obstacles prevent citizens from obtaining complete information about the government's administrative, legislative, executive, and judicial actions? How many provisions or processes are there that help ordinary citizens obtain legal counsel or appeal convictions? How effective are such legal aid or appeal processes? What proportion of government spending lacks oversight or is not clearly accounted for?
		Laws, Rulings, and Regulations	How many newspapers, broadcast news agencies, and other media are there that freely, regularly, and objectively report on government activities? To what extent are laws, rulings, and regulations actually enforced? How well do these laws, rulings, and regulations achieve their stated goals?

Preparedness	How effective is the government at identifying, planning for and preparing for disasters or other contingencies (including dissemination of plans; obtaining buy-in from other agencies and citizenry; and maintaining preparedness)?
Government Officials and Leaders	How effective are the government officials or other leaders in identifying problems or needs; developing solution programs; articulating their program objectives; obtaining buy-in for stakeholders and citizenry; and executing the programs?
Evacuation and Resettling Efforts after Disasters	How effective and timely are evacuation, support, resettlement, and compensation efforts associated with disasters or catastrophic events? How fair and equitable are these efforts across different population groups (including returning people to their original locations)?
Urban Planning	How comprehensive and well-informed are the objectives and development plans? How feasible (in terms of project costs, impacts, benefits) are the objectives and developments plans? How effective are planners in obtaining consent from all the stakeholders? How fair, open, and transparent is the planning process? How faithful, efficient, effective, non-corrupt are the implementation efforts of the plan? How effective and non-corrupt are the maintenance efforts? To what extent are the regulation, review, and oversight processes well-established, known, open, transparent, and non-corrupt?
Freedoms & Rights	How effective are mechanisms that protect and ensure the freedoms and rights of citizens and governed (e.g. freedom of press, public speech, human rights, fair treatment, non-discrimination, treatment under the law, association, etc.)?

Social Institutions (SI)	Governmental Policy Impact	How effective are current government policies and actions at strengthening (or weakening) a given institution, network, or norm? How effective are government policies in mitigating conflict between social institutions, networks, and norms?
--------------------------	----------------------------	--

MPICE Political Moderation and Stable Governance Delivery of Essential Government Services Strengthened Does a professional civil service exist?

6. SocialServicesAdequacyRating

Cite	Major	Minor	Detail
Element	Social services	Child services, elderly care, etc., organizations	
MPICE	Political Moderation and Stable Governance	Delivery of Essential Government Services Strengthened	Are public expectations for provision of essential public services and utilities being met? Are the various levels of government capable of providing essential services, utilities and functions?

7. GovtDecisionMakingRating

What is the distribution of power, # political parties, checks & balances, elections, dispute resolution?

Metric Class Name		Defining Question		MoPE
Cite	Major	Minor	Detail	
Element	Government decision making	Representation of the distribution of power, # political parties, checks & balances, elections, dispute resolution		
HSCB	Political States	Competitive Multiparty Electoral System (Presence/Absence/Degree)	Frequency of Contested Elections Conducted in Conditions of Ballot Secrecy Public, Open Election Campaigning of Multiple Political Parties (Presence/Absence/Degree) Voter Fraud (Presence/Absence/Degree) Number of Bills/Resolutions Passed Independence of Judiciary	
Haskins Hillson	How is power wielded? Decision-making and Implementation (DM)	Legislative Activity Separation of Powers (Presence/Absence/Degree)	Anticipation of Decision	How effective are the supporting agencies in anticipating potential issues or decision points? How well informed are the supporting agencies regarding current and evolving needs and situations which may require decisions (e.g. changes in policy or activities)? How timely and responsive are these agencies in preparing decision makers for taking action beforehand?
		Information Collection		How effective are the supporting agencies in identifying collection requirements, collecting the required information, analyzing collected data, and disseminating information to decision makers? How accurate, timely, and useful is the information in supporting the decision maker? How sufficient is the provided information for making an informed decision?
		Decision-making Process		How effective and efficient is the decision-making process in reaching a decision? How much agreement was achieved in the final decision by all stakeholders? How timely was the final decision?
		Quality of Decisions		How focused, relevant, and comprehensive are final decisions for achieving their original objectives? How well-informed are decisions? How fair and equitable are decisions and how well do they balance all relevant factors, interests, and parties? How final are final decisions (i.e. are most final decisions executed and not revisited without sufficient cause)?
		Implementation Plans for Decisions		How efficient is the planning process for implementing decisions? How faithful and accurate are implementation plans to the intent of decisions? How practical and easy to execute are such plans?
		Execution of Decision		How faithful and accurate is the execution of implementation plans? What is the speed, efficiency, and fairness of the execution?
		Impact of Decision		How well are policy objectives achieved as a result of a decision, its implementation plan, and its execution?

MPICE	Political Moderation and Stable Governance	Citizen Participation and Civil Society Strengthened	<p>How much does each of these factors contribute to the achievement of policy objectives?</p> <p>Is there citizen participation in local government?</p> <p>Do citizen values support an active civil society?</p> <p>Are citizens informed about government abuse?</p> <p>Are citizens capable of serving as a check on government abuse?</p> <p>Is there a diversity of civil society organizations?</p> <p>Do civil society organizations provide oversight and scrutiny of government actions?</p> <p>Do organizations exist in civil society that represent minority and marginalized groups and advocate for their interests?</p>
-------	--	--	--

8. RelationshipWithIntervenorsRating

Cite	Major
Element	Relationship with intervenors

What is the relationship between the parties, ranging from adversarial to very close?

Minor	Representation of the relationship between the parties, ranging from adversarial to very close	Detail
-------	--	--------

9. FreedomRating

Cite	Major
Element	Rights & freedoms
HSCB	Political States

What is the freedom rating (use something like the FreedomHouse scale)?

Minor	Representation of rights and freedoms	Detail
	Rights and Freedoms, Including Differential Rights According to Gender, Ethnicity, Religion, Caste, or Cultural Group Membership	<p>Additional Rights NOS</p> <p>Due Process Rights - Criminal Legal System</p> <p>Emigration Rights</p> <p>Foreign Travel Rights</p> <p>Free Enterprise Rights</p> <p>Freedom of Dissent among Political Officials or Candidates</p> <p>Freedom of General Public Expression, Including Freedom of Assembly</p> <p>Freedom of Press and Media Expression</p> <p>Private Property Rights</p> <p>Religious Rights (Including Rights for Religious Minorities)</p> <p>Voting Rights</p>

10. ExternalAdvisorsRating

Cite	Major
Element	External advisors

How effective are the external advisors to HN govt and judicial system

Minor	External advisors to HN govt and judicial system	Detail
-------	--	--------

11. ExternalGovtAdvisorsMoP

Cite	Major
Element	Provide advisors to govt officials
IWDcomp	BDE/BN advise/support local govt
	CO key leader engagement
OCRS	Governance and Participation

What is the number & influence of external advisors to the HN government (not counting Rule of Law advisors)?

Minor	Provide advisors to HN government (other than judicial organizations)	Detail
-------	---	--------

12. GovtPersonnelEducatedChangeMoP

Cite	Major
Element	Educate governments
OCRS	Governance and Participation

What is the progress in educating civil service, legislative staff, local government staff, etc.?

Minor	Educate governments in how various govt processes work	Detail
	Executive Authority	Civil Service Staffing
	Legislative Strengthening	Legislative Staffing and Training

Metric Class Name	Defining Question	MoPE
	Local Governance	Local govt Staffing and Training
13. FirstRespondersTrainedMoP	What is the progress in training first responders?	
Cite	Minor	Detail
Element	Train first responders	
14. FirstRespondersJobsCreatedMoP	How many first responder jobs have been created?	
Cite	Minor	Detail
Element	Train first responders	
15. FirstRespondersInvestmentMoP	What is the \$ investment in first responders?	
Cite	Minor	Detail
Element	Train first responders	
16. BorderControlRating	What is the level of control of the border?	
Cite	Minor	Detail
Element	Border control level	
17. PoliticalLeadersTrainedMoP	What is the progress in training new political leaders in constitutional duties as well as civil politics?	
Cite	Minor	Detail
Element	Train new political leaders	
OCRS	Governance and Participation	Political Parties Party Formation Party Training
18. GovtReformChangeMoP	What is the progress in reforming all parts and levels of HN government?	
Cite	Minor	Detail
Element	Create governments	
OCRS	Governance and Participation	National Constituting Processes Executive Authority Legislative Strengthening Local Governance National Dialogue Executive Mandate and Structure Revenue Generation and Management Legislative Citizen Access Legislative Mandate Local govt Mandate
19. ElectionsConductedChangeMoP	What is the progress in planning, executing, monitoring, and publicizing elections?	
Cite	Minor	Detail
Element	Conduct elections	
HSCB	Political States	Political Participation, Such as Voter Turnout
OCRS	Governance and Participation	Elections Elections Monitoring Elections Outreach Elections Planning and Execution
20. GovtSuppliesDeliveredMoP	What amount of government supplies has been delivered for all levels and parts of government?	
Cite	Minor	Detail
Element	Supply governments	
OCRS	Governance and Participation	Executive Authority Legislative Strengthening Local Governance Government Resources and Facilities Legislative Resources and Facilities Local govt Resources and Facilities
21. ConstitutionReformChangeMoP	What is the progress in constitutional reform?	
Cite	Minor	Detail
Element	Constitution	
OCRS	Governance and Participation	National Constituting Processes Constitution
22. TransitionGovtCreationChangeMoP	What is the progress in establishing, staffing, and funding a transition government?	
Cite	Minor	Detail
Element	Establish, staff & fund transition govt	
	Create transition (substitute HN) govt; provide staff for it; fund it; supply it	

Metric Class Name		Defining Question		MoPE
OCRS	Governance and Participation	Transitional Governance	International Transitional Administration National Transitional Administration	
23. DiplomaticActionsMoP				
Cite	Major	Minor	Detail	
Element	Employ diplomatic actions	What is the level of diplomatic actions to and from the HN government, internal & external (communications, making alliances, etc.)? UN actions/resolutions; U.S. diplomacy; HN diplomacy, internal & external, communicate, make alliances, etc.		
24. GovtDestabilizationActivityMoP				
Cite	Major	Minor	Detail	
Element	Destabilize government	What is the level of activity in destabilizing the HN government? Destabilize HN government		
25. LegislativeActivitiesMoP				
Cite	Major	Minor	Detail	
Element	Conduct legislative activities	How many laws debated, passed, etc. are there? Propose & debate laws; pass some, etc.		
26. ExecutiveActivitiesMoP				
Cite	Major	Minor	Detail	
Element	Conduct executive activities	How many regulations, etc., are considered, implemented? Execute laws, perform administrative tasks, establish regulations, etc.		
27. DecreaseFirstRespondersMoP				
Cite	Major	Minor	Detail	
Element	Decrease first responders	How much are first responders decreased? Decrease number & activity of first responders, through all means		
28. IncreaseExternalAdvisorsMoP				
Cite	Major	Minor	Detail	
Element	Increase external advisors	How much are external advisors increased? Increase number & activity of external advisors		
29. DecreaseExternalAdvisorsMoP				
Cite	Major	Minor	Detail	
Element	Decrease external advisors	How much are external advisors decreased? Decrease number & activity of external advisors		
30. IncreaseGovernmentPersonnelMoP				
Cite	Major	Minor	Detail	
Element	Increase government personnel	What is the increase in government personnel? Increase number of government personnel		
31. DecreaseGovernmentPersonnelMoP				
Cite	Major	Minor	Detail	
Element	Decrease government personnel	What is the decrease in government personnel? Decrease number of government personnel		
32. HNExecutiveBranchActivityRating				
Cite	Major	Minor	Detail	
Element	HN executive branch	What is the activity level of the executive branch? Activity level of HN executive branch		
33. HNLegislativeBranchActivityRating				
Cite	Major	Minor	Detail	
Element	HN legislative branch	What is the activity level of the legislative branch? Activity level of HN legislative branch		
34. GovernmentPersonnelActivityRating				
Cite	Major	Minor	Detail	
Element	Government personnel	What are the numbers and influence of government personnel? Number of general government personnel		
35. ChangeKeyLeaderIdentitiesMoP				
Cite	Major	Minor	Detail	
Element	Change key leader identities	What are the changes in identities of the various key leader types? Add, subtract or change names of various types of key leaders		
36. ImproveHNLegislativeMoP				
Cite	Major	Minor	Detail	
Element	Improve HN legislature and legislative practices	What amount of effort has been expended in improving HN legislative processes? Improve the way the legislature and legislative processes and procedures work to uphold democratic practices		

Metric Class Name		Defining Question	MoPE
37. ImproveHNExecutiveMoP		What amount of effort has been expended in improving HN executive processes?	
Cite	Major	Minor	Detail
Element	Improve HN executive function	Assist executive offices, ministries, and independent governmental bodies to operate more efficiently and effectively and democratically	
38. ImproveHNCivilMilitaryMoP		What efforts have been expended in improving the connection between the HN civil gov and the HN military?	
Cite	Major	Minor	Detail
Element	Promote HN civil control of security sector	Support civil control of military and other elements of the security sector	
39. ImproveFreeMediaMoP		What efforts have been expended in improving the freedom of media?	
Cite	Major	Minor	Detail
Element	Promote policies for media independence	Promote policies for media freedom and freedom of information	
40. ImproveHNSocialServicesMoP		What efforts have been expended in improving HN social services?	
Cite	Major	Minor	Detail
Element	Assist HN in creating social services	Promote good policies and social service institutions	
41. KeyLeaderPoliticalDecisionMakingRating		What is the process and quality of key political leaders decision making?	
Cite	Major	Minor	Detail
Element	Key political leader decision making	Representation of key political leaders decision making	
Hillson	Decision-making and Implementation (DM)	Anticipation of Decision	How effective are the supporting agencies in anticipating potential issues or decision points? How well informed are the supporting agencies regarding current and evolving needs and situations which may require decisions (e.g. changes in policy or activities)? How timely and responsive are these agencies in preparing decision makers for taking action beforehand?
		Information Collection	How effective are the supporting agencies in identifying collection requirements, collecting the required information, analyzing collected data, and disseminating information to decision makers? How accurate, timely, and useful is the information in supporting the decision maker?
		Decision-making Process	How sufficient is the provided information for making an informed decision? How effective and efficient is the decision-making process in reaching a decision? How much agreement was achieved in the final decision by all stakeholders? How timely was the final decision?
		Quality of Decisions	How focused, relevant, and comprehensive are final decisions for achieving their original objectives? How well-informed are decisions? How fair and equitable are decisions and how well do they balance all relevant factors, interests, and parties? How final are final decisions (i.e. are most final decisions executed and not revisited without sufficient cause)?

Metric Class Name		Defining Question		MoPE
		Implementation Plans for Decisions		How efficient is the planning process for implementing decisions? How faithful and accurate are implementation plans to the intent of decisions? How practical and easy to execute are such plans?
		Execution of Decision		How faithful and accurate is the execution of implementation plans? What is the speed, efficiency, and fairness of the execution?
		Impact of Decision		How well are policy objectives achieved as a result of a decision, its implementation plan, and its execution? How much does each of these factors contribute to the achievement of policy objectives?
42. KeyLeaderPoliticalProPeaceRating		What is the influence of pro-peace key political leaders?		
Cite	Major	Minor	Detail	
Element	Key leaders advocating peace and stability	Pro-peace key political leaders		
HSCB	Societal States	Short- or Intermediate-Term Psychological States	Mental States Motivation/Intention to Act or Adjust Behavior based on a Cognitive or Affective Item in Working Memory Prominence/Salience of a Cognitive or Affective Item in Working Memory (e.g., Actor, Issue, Experience, Event, Value, Goal)	
MPICE	Political Moderation and Stable Governance	Peace Process Strengthened	Do political leaders/elites accept and support the peace settlement?	
43. KeyLeaderPoliticalAgitatorRating		What is the influence of anti-peace key political leaders?		
Cite	Major	Minor	Detail	
Element	Key leaders advocating dissension	Anti-peace key political leaders		
HSCB	Societal States	Short- or Intermediate-Term Psychological States	Mental States Motivation/Intention to Act or Adjust Behavior based on a Cognitive or Affective Item in Working Memory Prominence/Salience of a Cognitive or Affective Item in Working Memory (e.g., Actor, Issue, Experience, Event, Value, Goal)	
MPICE	Political Moderation and Stable Governance	Peace Process Strengthened	Do political leaders/elites accept and support the peace settlement?	
44. GovtTypeOrganizationActivityRating		For each of the government, alternative government, and intervention organizations, what is the activity level?		
Cite	Major	Minor	Detail	
Element	Govt, alternative govt & intervention organizations	Government, alternative (shadow) government, and intervention (as HN government substitute) organizations		
45. KeyLeaderPoliticalRating		What is the influence of each key political leader?		
Cite	Major	Minor	Detail	
Element	Key political individuals	Key political leaders		
HSCB	Societal States	Short- or Intermediate-Term Psychological States	Mental States Motivation/Intention to Act or Adjust Behavior based on a Cognitive or Affective Item in Working Memory Prominence/Salience of a Cognitive or Affective Item in Working Memory (e.g., Actor, Issue, Experience, Event, Value, Goal)	

Metric Class Name		Defining Question		MoPE
46. PoliticalPopulationActivityRating				
Cite	Major	Minor	Detail	
Element	Political population	The politically active population		
HSCB	Political States	Political Participation, Such as Voter Turnout	Political Participation, Such as Voter Turnout	
		Symbolic Political Expressions of Publics	Non-Violent Protest or Peaceful Civil Disobedience	
			Non-Violent Rallies to Support a Political Candidate or Cause NOS	
47. ExternalAgitatorForcesActivityRating				
Cite	Major	Minor	Detail	
Element	External forces advocating conflict	External forces (countries, groups, etc.) advocating conflict?		
MPICE	Political Moderation and Stable Governance	External Destabilization Diminished	Do perpetrators of political violence find sanctuary and support in neighboring states?	
	Safe and Secure Environment		Are other states or non-state actors able to manipulate local political affairs?	
			Does interference by foreign states or transnational actors (e.g., Diasporas, political movements, trans-border communications media, illicit commercial enterprises, private security forces, terrorist networks) fuel conflict or undermine peace efforts?	
			Do armed opposition groups exploit cross-border sanctuaries as a base for operations, source of recruitment, or location for weapons caches?	
			Do linkages exist between armed groups and transnational criminal networks?	
	Sustainable Economy	External Drivers of Conflict Diminished	What is the extent of funding for armed opposition groups from Diaspora populations and affinity groups?	
			Do foreign governments support warring factions financially or materially?	
			What is the degree of looting of natural resources by external actors?	
48. PoliticalFactionActivityRating				
Cite	Major	Minor	Detail	
Element	Political factions	Political factions		
HSCB	Political States	Competitive Multiparty Electoral System (Presence/Absence/Degree)	Frequency of Contested Elections Conducted in Conditions of Ballot Secrecy	
			Public, Open Election Campaigning of Multiple Political Parties (Presence/Absence/Degree)	
49. OppositionPartyUseOfForceRating				
Cite	Major	Minor	Detail	
Element	Opposition party use of force	Representation of the oppositions stance on the use of force, measured from wholly against to active use of force		
HSCB	Societal States	Societal Violence and Safety	Rioting or Violent Political Protest	
MPICE	Political Moderation and Stable Governance	Political Grievances Diminished	Are there unresolved war aims?	
	Safe and Secure Environment	Compliance with Security Agreements Strengthened	Are atrocities committed against opposition identity groups on a systematic basis? (See Rule of Law)	
			Are cases of non-compliance with cooperative security agreements resolved?	

Political Violence Diminished	Do armed opposition groups (e.g. militias, guerrilla forces, insurgents, death squads, private security forces, gangs or terrorists) engage in violence to advance political agendas or to oppose the peace process?
-------------------------------	--

50. FactionalDisputeRating

What is the size and bitterness of factional disputes?

Cite	Major	Minor	Detail
Element	Factional disputes	Representation of factional disputes	
HSCB	Societal States	Societal Violence and Safety	Violent Civil/Ethnic/Religious Conflict NOS
MPICE	Political Moderation and Stable Governance	Competition for Exclusive Power Diminished	To what extent do political elites/leaders and identity groups perceive the political process in exclusive (i.e., "zerosum") terms? To what extent are political elites/leaders polarized on the basis of their identity?
		Political Grievances Diminished	Do state authorities or dominant groups engage in political exclusion, repression of dissent, or scape-goating on the basis of group identity?
		Political Parties and Electoral Process Strengthened	Do political entities demonstrate a commitment to a non-violent, responsive, and accountable electoral process? Does the public demonstrate a commitment to a non-violent, responsive, and accountable electoral process? Are party formation, campaigning and conduct in government inclusionary (across identity groups)?
	Safe and Secure Environment	Compliance with Security Agreements Strengthened	Are cases of non-compliance with cooperative security agreements resolved?

51. ResolutionOfDifferencesByCompetingGroupsRating

What is the method of resolving differences between pairs of groups, ranging from violent conflict to peaceful negotiation?

Cite	Major	Minor	Detail
Element	Resolution of differences by competing groups	Representation of resolving differences between pairs of groups, ranging from violent conflict to peaceful negotiation	
HSCB	Political States	Symbolic Political Expressions of Publics	Non-Violent Protest or Peaceful Civil Disobedience Non-Violent Rallies to Support a Political Candidate or Cause NOS
MPICE	Political Moderation and Stable Governance	Peace Process Strengthened	Is there a viable process for addressing continuing violent conflict and ambiguities that the peace process failed to resolve? Do political leaders/elites accept and support the peace settlement? Does the population accept and support the peace settlement and/or process? Is the peace settlement being implemented? Is international engagement adequate to sustain the peace process?
		Political Grievances Diminished	Do state authorities or dominant groups engage in political exclusion, repression of dissent, or scape-goating on the basis of group identity?
	Rule of Law	Societal Support for Rule of Law Strengthened	Are social attitudes and norms supportive of peaceful resolution of disputes (by identity group)?

52. MediationNegotiationsPersuasionMoP

What is the amount of mediation, negotiation & persuasion efforts that have been undertaken?

Cite	Major	Minor	Detail
Element	Mediate, negotiate & persuade conflicting parties	Mediate, negotiate & persuade and support HN mediation, negotiation & persuasion of conflicting parties	

Metric Class Name		Defining Question	MoPE
53. ComplianceWithPeaceAccordsMoP		What is the level of effort in maintaining compliance with peace accords?	
Cite	Major	Minor	Detail
Element	Maintain compliance with peace accord milestones & conditions	Maintain compliance, with all needed tasks	
OCRS	Security	Disposition of Armed and Other Security Forces, Intelligence Services and Belligerents	Cessation of hostilities Enforcement of Peace Agreements
54. PowersharingMonitoringMoP		What is the status of monitoring power sharing arrangements?	
Cite	Major	Minor	Detail
Element	Monitor powersharing arrangements	Monitor powersharing, with all needed tasks	
55. TransferOfControlToHNChangeMoP		What is the progress in transferring control of government functions to the HN government?	
Cite	Major	Minor	Detail
Element	Transfer control of government functions to host nation officials	Transfer control from the transition govt to HN officials, in part or in toto	
56. ComplianceWithPeaceAccordsRating		What is the level of compliance with peace accords?	
Cite	Major	Minor	Detail
Element	Level of compliance with peace accords	How well compliance with peace accords & conditions is being maintained	
57. PowersharingRating		What is the level of powersharing?	
Cite	Major	Minor	Detail
Element	Level of powersharing	How well power sharing arrangements are being observed	
58. IncreasePoliticalPopulationMoP		How much is the political population activity increased?	
Cite	Major	Minor	Detail
Element	Increase political population	Increase the political activity of the population	
59. DecreasePoliticalPopulationMoP		How much is the political population activity decreased?	
Cite	Major	Minor	Detail
Element	Decrease political population	Decrease the political activity of the population	
60. IncreaseExternalForcesAdvocatConflictMoP		How much is the increase in external forces advocating conflict?	
Cite	Major	Minor	Detail
Element	Increase external forces advocating conflict	Increase the activity level of external forces advocating conflict	
61. DecreaseExternalForcesAdvocatConflictMoP		How much is the decrease in external forces advocating conflict?	
Cite	Major	Minor	Detail
Element	Decrease external forces advocating conflict	Decrease the activity level of external forces advocating conflict	
62. ChangePoliticalFactionsMoP		How much is the make up of political factions changed?	
Cite	Major	Minor	Detail
Element	Change political factions	Change the composition or activity level of political factions	
63. CommonCrimeRating		What is the level of common crime?	
Cite	Major	Minor	Detail
Element	Common crime	Representation of common crime	
HSCB	Societal States	Criminal Activity States NOS	Non-Violent Crime
Hillson	Enforcement (EN)	Common Crime Prevention	How effective are the law enforcement agencies, judiciary, and penal system in preventing criminal activities? To what extent did each policy or agency contribute to the changing crime rates? How prevalent, powerful, and socially influential are crime syndicates?

MPICE Sustainable Economy

Political Impact of Illicit Wealth Diminished

To what extent is corruption present in the private sector?
 To what extent is corruption present in the government?
 How effective are crime education and awareness programs (e.g. counter-scam warnings)?
 What is the magnitude of economic activity taking place in illicit markets?

64. PoliticalCrimeRating

Cite Major
 Element Political crime

What is the level of "political" crimes as defined by the HN government?

Minor Detail
 Representation of "political" crimes as defined by the HN government

65. DrugCrimeRating

Cite Major
 Element Drug crime

What is the level of drug crime?

Minor Detail
 Representation of drug crime

66. OrganizedCrimeRating

Cite Major
 Element Organized crime
 HSCB Societal States
 Hillson Enforcement (EN)

What is the level of organized crime?

Minor Detail
 Representation of organized crime
 Criminal Activity States NOS
 High Crime Prevention

Human Trafficking
 How effective are security agents and law enforcement agencies in combating drug trafficking, illegal arms smuggling, human trafficking, kidnappings, terrorism, assassinations, and piracy?
 How effective are these agencies in detecting, infiltrating, and preventing conspiracies and coups?
 What is the magnitude of economic activity taking place in illicit markets?

MPICE Sustainable Economy

Political Impact of Illicit Wealth Diminished

67. OverallCrimeRating

Cite Major
 Element Overall crime
 HSCB Societal States
 MPICE Sustainable Economy

What is the overall crime level?

Minor Detail
 Representation of the overall crime level
 Societal Violence and Safety
 Political Impact of Illicit Wealth Diminished

General Violent Crime NOS
 What is the magnitude of economic activity taking place in illicit markets?

68. LegalSystemTradition

Cite Major
 Element Legal system tradition

What is the legal system tradition: common law, civil law (e.g., French, religious, Asian), no law, etc.?

Minor Detail
 Representation of the legal system tradition: common law, civil law (French), religious, Asian, no law, etc.

69. JudicialOrganizationRating

Cite Major
 Element Court & alternative courts
 HSCB Political States

What is the activity level and effectiveness of court type organizations, both government and alternative?

Minor Detail
 Judicial organizations, both government and alternative (shadow)?
 High Court Activity

Number of Cases Heard/Concluded by the High Court

70. LawEnforcementOrganizationRating

Cite Major
 Element Law enforcement organizations

What law enforcement organizations exist and what is their size?

Minor Detail
 Law enforcement organizations of all types

71. CorruptionInCultureRating

Cite Major
 Element Corruption in culture
 HSCB Societal States
 Hillson Enforcement (EN)

What is the perceived level of corruption that is prevalent in the HN culture?

Minor Detail
 Representation of level of corruption that is prevalent in the HN culture
 Criminal Activity States NOS
 Counter-Corruption and Anti-Crime Operations

Government Corruption
 How have changes in activities enhanced crime prevention?

MPICE	Rule of Law	Criminalization of State Institutions Diminished	How have countercorruption operations impacted corruption within the government or society? How have the counter-corruption activities been hampered by systemic corruption? How has judicial effectiveness increased as a result of these activities?

Element	Reduce organized and gang-related crime	Support activities to reduce organized and gang-related crime		
396. ReduceCorruptionMoP		What efforts have been expended in reducing corruption in all areas?		
Cite	Major	Minor	Detail	
Element	Promote HN anti-corruption reforms	Promote anti-corruption institutions, processes and policies regarding all sources of corruption		
397. SocialIssueDecisionMakingRating		What is the quality and nature of social decision making?		
Cite	Major	Minor	Detail	
Element	Social issue decision making	Representation of social decision making		
Haskins	Confidence: when looking outward, do they see threat or opportunity? Openness to new ideas Problem solving: Big bang <--> incremental? Need a crisis <--> view of future? Inclusive <--> exclusive? Consensus <--> partisan rancor			

Rules <--> Principles and Judgement: which rules matter? How close to formal laws? How is knowledge passed? who gets to judge when rules are broken?

Time horizons for planning? how important is time in daily life? how strong is sense of history? how open is history to facts? how do they see themselves in history

Tolerance: how much tolerance of uncertainty (risk averse <--> risk taking)?

Hillson

Decision-making and Implementation (DM)

Anticipation of Decision

How effective are the supporting agencies in anticipating potential issues or decision points?

How well informed are the supporting agencies regarding current and evolving needs and situations which may require decisions (e.g. changes in policy or activities)?

How timely and responsive are these agencies in preparing decision makers for taking action beforehand?

Information Collection

How effective are the supporting agencies in identifying collection requirements, collecting the required information, analyzing collected data, and disseminating information to decision makers?

How accurate, timely, and useful is the information in supporting the decision maker?

How sufficient is the provided information for making an informed decision?

Decision-making Process

How effective and efficient is the decision-making process in reaching a decision?

How much agreement was achieved in the final decision by all stakeholders?

How timely was the final decision?

Quality of Decisions

How focused, relevant, and comprehensive are final decisions for achieving their original objectives?

How well-informed are decisions?

How fair and equitable are decisions and how well do they balance all relevant factors, interests, and parties?

How final are final decisions (i.e. are most final decisions executed and not revisited without sufficient cause)?

Implementation Plans for Decisions

How efficient is the planning process for implementing decisions?

How faithful and accurate are implementation plans to the intent of decisions?

How practical and easy to execute are such plans?

Execution of Decision

How faithful and accurate is the execution of implementation plans?

What is the speed, efficiency, and fairness of the execution?

Impact of Decision

How well are policy objectives achieved as a result of a decision, its implementation plan, and its execution?

Social Institutions (SI)

Institutional Effectiveness

How much does each of these factors contribute to the achievement of policy objectives?

Given a specific social institution, network, or norm: How effective is it in shaping behavior (e.g. political activism, moral criticism, etc.); influencing perceptions, attitudes, and values; impeding or facilitating change; identifying and solving social problems, and impacting other social institutions, networks, or norms?

398. GeneralPopulationActivityRating

Cite
