 - Protection
 - Prosecution
 - Prevention
- Organized and Gang-related Crime
 - Disruption and Dismantlement
 - Extradition

Conflict Mitigation and Reconciliation

- Conflict Mitigation
 - Early Warning and Response Mechanisms
 - Peace Dividends
- Peace and Reconciliation Processes
 - Peace Structures
 - Peace Messaging
- Preventive Diplomacy
 - Official Negotiation Processes
 - Ceasefire Agreements/Peace Accords and Monitoring Mechanisms

Governing Justly & Democratically

Rule of Law and Human Rights

- Constitutions, Laws, and Legal Systems
 - Constitutions, Laws, Legal Frameworks
 - Public Knowledge and Understanding of the Rule of Law
 - Transitional Justice
 - Non-State Legal Systems
- Judicial Independence
 - Judicial Review
 - Independence and Accountability
 - Public Awareness and Advocacy
- Justice System
 - Justice System Actors
 - Operations of Institutions and Actors
 - Fairness and Equity
 - Access to Justice
- Human Rights
 - Advocacy

Systems and Policies
Education and Training

Good Governance

Legislative Function and Processes

Legislative Strengthening and Legal Reform
Representation
Oversight and Budget Capacity
Legislative Management, Administration, Accountability and Transparency
Citizen Participation

Public Sector Executive Function

State Formation and Democratic Legitimacy
Strategic Planning and Policy Making
Civil Service and Public Administration
Oversight of the Executive Branch

Local Government and Decentralization

Representative and Responsive Local Governance
Delivery of Local Goods and Services
Local Government Revenue Generation
Fiscal Decentralization
Decentralization Enabling Environment
Local Public Sector Associations

Anti-Corruption Reforms

Diplomatic Initiatives
Governmental Reform
Transparency and Oversight
Anticorruption Enforcement

Governance of the Security Sector

Legal and Regulatory Framework of Security
Civilian Management and Oversight
Civil Society Capacity to Engage the Security Sector

Political Competition and Consensus-Building

Consensus-Building Processes

Consensus Building and Dialogue Processes
Conflict Mediation and Dispute Resolution
Institutional Strengthening
Advocacy and Oversight

Elections and Political Processes

Legal and Institutional Framework
Election Management
Public Awareness, Transparency and Turnout
Enfranchisement, Access and Participation
Observation, Monitoring and Oversight

Political Parties

Political Party Organizational Development
Governing Capability
Representation and Outreach
Participation of Parties in Elections

Civil Society

Civic Participation

Civil Society Legal and Regulatory Frameworks
Civil Society Capacity for Democratic Processes
Citizen Participation and Oversight
Civic Education and Democratic Culture
Democratic Trade Unions

Media Freedom and Freedom of Information

Enabling Environment for Independent Media
Professional and Institutional Capacity
Media Sustainability
Media-Sector Civil Society Organizations (CSO) and other Support Institutions

Investing in People

Health

ProgramName	ProgramArea	ProgramElement	ProgramSubElement

		Other Public Health Threats	Neglected Tropical Diseases and Other Infectious Diseases Non-Communicable Public Health Threats Including Injuries Health Governance and Finance (Other Health)
		Maternal and Child Health	Birth Preparedness and Maternity Services Treatment of Obstetric Complications and Disabilities Newborn Care and Treatment Immunization, Including Polio Maternal and Young Child Nutrition, Including Micronutrients Treatment of Child Illness Household Level Water, Sanitation, Hygiene and Environment Health Governance and Finance (MCH) Anti-microbial Resistance (MCH)
		Family Planning and Reproductive Health	Service Delivery Communication

ProgramName	ProgramArea	ProgramElement	ProgramSubElement
			Policy Analysis and System Strengthening
			Health Governance and Finance (FP)
		Water Supply and Sanitation	
			Safe Water Access
			Basic Sanitation
			Water and Sanitation Policy and Governance
			Sustainable Financing for Water and Sanitation Services
			Water Resources Productivity
			Science and Technology Cooperation
	Education		
		Basic Education	
			Pre-Primary Education
			Primary Education
			Lower Secondary Education
			Learning for Out-of-School Youth
			Literacy and Numeracy for Adults
			Upper Secondary Education
			Education Systems
		Higher Education	
			Policy Development and Reform
			Institutional Capacity Development
			Regional, National, and Local Development
			Professional Development
	Social Services and Protection for Especially Vulnerable Populations		
		Policies, Regulations, and Systems	
			Social Policy Governance
			Research Capacity
		Social Services	
			Vulnerable Children
			Victims of War
			Victims of Torture
			Other Targeted Vulnerable Groups
		Social Assistance	
			Targeted Assistance to Meet Basic Needs for the Poorest
			Conditional Cash Transfers
			Targeted Subsidies for Low-Income Households
			Self-Help Programs
	Economic Growth		
		Macroeconomic Foundation for Growth	
		Fiscal policy	
			Revenue Structure and Administration
			Expenditure Structure and Management
		Monetary policy	
			Interest Rate Regime
			Net Domestic Credit Management
			Exchange Rate Regime
			Net Foreign Assets Management
			Debt Management
		Trade and Investment	
		Trade and Investment Enabling Environment	
			Mainstreaming Trade for Growth and Poverty Reduction
			Trade Liberalization and Agreements
			Trade Facilitation
			Support for International Standards
		Trade and Investment Capacity	
			Trade Communication and Technologies
			Trade Knowledge and Skills
			Non-Agricultural Standards Compliance

Financial Sector

Financial Sector Enabling Environment
 Sector Liberalization and Strengthening
 Supervision
 Corporate Governance
 Accounting and Financial Transparency

Financial Services
 Banking
 Systems and Risk Management
 Equity and Debt Markets
 Insurance and Private Pension Funds
 Special Fund Programs
 Credit Guarantees

Infrastructure

Modern Energy Services
 Basic Energy Infrastructure Project Financing
 Legal and Regulatory Development
 Energy Sector Restructuring and Corporatization
 Commercialization and Management Improvement
 Market Design, Implementation and Monitoring
 Energy Efficiency, Renewable Energy, and Decentralized Energy Technologies and Financing
 Privatization and Private Investment Promotion
 Expanded Access to Rural and Low Income Areas

Communications Services
 Basic Communications Infrastructure Financing
 Legal and Regulatory Development
 Expanded Access to ICT Services and Applications
 Restructuring and Corporatization
 Privatization and Promotion of Private Investment

Transport Services
 Basic Transport Infrastructure Financing
 Legal and Regulatory Restructuring and Governance
 Transport Policy and Planning
 Financing and Investment Promotion

Agriculture

Agricultural Enabling Environment
 Agricultural Resource Policy
 Food Policy
 Agricultural Market Standards and Regulations
 Public Investment Policy

Agricultural Sector Productivity
 Research and Technology Dissemination
 Land and Water Management
 Rural and Agricultural Finance
 Agribusiness and Producer Organizations
 Markets and Trade Capacity
 Emerging Agricultural Threats
 Agricultural Safety Nets and Livelihood Services

Private Sector Competitiveness

Business Enabling Environment
 Property Rights
 Business and Organizations
 Transactions
 Competitiveness

Private Sector Productivity
 Business Management, Marketing, and Governance Practices
 Sector Supply and Value Chains
 Research and Technology Development and Application
 Business, Trade Unions, and Professional Association Development

Workforce Development

- Systemic Reform
- Partnership Development
- Workforce Readiness
- Technical/Vocational Training for Employment

Economic Opportunity

Inclusive Financial Markets

- Policy Environment for Microfinance
- Investments in Microfinance

Policy Environment for Micro and Small Enterprises

- Reduce Barriers to Registering Micro and Small Enterprises
- Reduce Regulatory Burden on Micro and Small Enterprises

Strengthen Microenterprise Productivity

- Microenterprise Business Development Services
- Value Chains for Micro and Small Enterprises
- Entrepreneurship Development

Inclusive Economic Law and Property Rights

- Equal Economic Rights for Women and Other Disadvantaged Groups
- Property Rights for the Poor

Environment

Natural Resources and Biodiversity

- Natural Resource Policy and Governance
- Sustainable Natural Resource Management and Production
- Biodiversity Policy and Governance
- Biodiversity Conservation
- International Cooperation
- Science, Technology and Information

Clean Productive Environment

- Clean Productive Environment Policy and Governance
- Clean Production
- Clean Energy
- Climate Change
- Air Quality
- Sound Management of Waste
- Toxic Substances
- Science and Technology as a Tool for Environmental Decision-Making

Humanitarian Assistance

Protection, Assistance and Solutions

Protection and Solutions

- International Laws and Principles
- Protection of Vulnerable Populations
- Durable Solutions

Assistance and Recovery

- First Response and Immediate Interventions
- Water and Sanitation Commodities and Services
- Health, Food, and Nutrition Commodities and Services
- Shelter and Camp Management Commodities and Services

Disaster Readiness

Capacity Building, Preparedness, and Planning

- Planning and Preparedness

Mitigation

- Protective Infrastructure
- Enhanced Coping Mechanisms

Migration Management

Protection and Assistance

- Protection of vulnerable migrants
- Return, Reintegration and Relocation

Institutional Support and Capacity-building

- Humane and Orderly Migration Systems
